

INDUSTRIAL FAN

Efficient motor

low power consumption

Features

- › Diameter: 40 cm.
- › Power: 80 W.
- › 3 ventilation speeds.
- › More efficient motor and low electricity consumption.
- › Stable base with non-slip feet.
- › Carry handle: lightweight and easy to transport.
- › Safety grille.
- › Large air flow.
- › Adjustable tilting with a wide angle of throw.
- › Connection: 230 V ~ 50 Hz.
- › EAN: 8436044539497
